

TEST CERTIFICATE

AURO Pflanzenchemie AG, Alte Frankfurter Strasse 211 in 38122 Braunschweig, Germany, markets the product

COLOURS FOR LIFE paint

in various colours.

This product was tested under the order number 11-20-19. The basis for testing was DIN EN 71 (2019-08) "Safety of toys - Part 3: Migration of certain elements".

After evaluation of the testing results, it was determined that the product **COLOURS FOR LIFE paint** in the colours tested fulfils the requirements of DIN EN 71-3 (2019-08).
